DCA Portfolio Company Superior Vision Named One of Region's Fastest-Growing Companies

Three-Year Revenue Growth of 31% Gets #25 Ranking by Sacramento Business Journal

Rancho Cordova, CA - Superior Vision, a leader in managed vision care benefits, was recently named one of the fastest-growing companies in the Sacramento region by the Sacramento Business Journal (SBJ). Ranked at #25, Superior Vision has enjoyed 31% revenue growth and 28% membership growth from 2008 through 2010. Interestingly, the SBJ's list traditionally includes 100 companies in their list instead of the current 50, but not enough companies qualified this year.

"Given the nation's economic issues, we are pleased and proud to be experiencing growth in this important benefits sector," stated Rick Corbett, President and CEO, Superior Vision.

"Companies are implementing new strategies for success, and the awareness of the importance of vision benefits in positively impacting a company's healthcare costs and employee productivity plays into those strategies. Superior Vision's model of flexible plan designs, unbiased choice for members, and ease of administration has helped us grow in this marketplace."
